

To all our volunteers and clients of our programs at OKC Dream Center.

With all the concern surrounding the current COVID-19 spread, we just wanted to actively include you in how we are planning to go forward in serving our city as we are continually processing updated information about the COVID-19 virus situation.

For the present and near future, access to our offices will be limited. Please call (405) 634-2615 if you are in need of assistance. For the safety of our community as well as our staff and volunteers during this season, all of our on-site programs have been suspended until further notice, including our after-school program, clothing closet, and emergency food pantry. Now, this does not mean that we are not serving our community, however the way that we are going to continue serving our community will look slightly different.

If you are in need of assistance, please call our offices at (405) 634-2615 during the hours of 10am to 2pm Monday through Friday and we will meet any and all needs we are able to.

Please continue to stay tuned to our web site at www.dcokc.org and our Facebook page @okcdreamcenter as we will continue to update you as more info comes in.

We apologize for any inconvenience, but at the same time, we thank you for your understanding as we continue forward during this season.

Thank you for helping us to make dreams come true in Oklahoma City.

Sincerely,

OKC Dream Center
